**Subject:** IARC Monographs volume 112-- Section 4 tagging deadline

Dear all,

It's great to see the progress on the HAWC tagging! Do let me know if you are unable to finish your assigned tagging by early next week.

Don't hesitate if you may need additional tags or any tweaks of the literature search terms. Additionally, some of you may come across articles that already have Section 4 tags— these may have been retrieved and tagged through other searches, but don't hesitate to change any tags.

Also, an 8-min YouTube video is now available that reviews the tagging functionalities: [http://youtu.be/hljT4F\\_E8KQ?hd=1](http://youtu.be/hljT4F_E8KQ?hd=1).

With thanks to all,  
Best regards,  
Kate

**Subject:** IARC Monographs volume 112-- Section 4 doodle

Dear all,

Thank you so much for participating in the Section 4 teleconference Friday! As discussed we will reconvene in late November. Please complete the doodle poll at this link at your earliest convenience: <http://doodle.com/khvqqqd5ye5kwkwx>.

Second, great news from our wonderful Subgroup chair: the glyphosate tagging is complete! Thank

you Ivan!!! (see results here: <https://hawcproject.org/lit/assessment/82/references/visualization/>; login required).

Third, I've made available the powerpoint presentation on IOPS under "Additional Files" (at this link: [http://iops.iarc.fr/index.php?page=proj\\_files&project\\_id=118](http://iops.iarc.fr/index.php?page=proj_files&project_id=118); see also highlighted link below; login required). Don't hesitate with any questions on the IARC monographs process or the HAWC literature tagging.

With thanks to all,  
Best regards,  
Kate
